~The HSGQE was refocused in 2002 so test results prior to that should not be compared to subsequent test results.

¹ Percent Proficient and Percent Not Proficient rates only include students that participated in the exams.

² Participation rate is calculated by dividing the total count of students tested by the enrollment count.

³ Spring 2002 Participation Rate results and prior were based on Fall enrollment data. To report a more accurate Participation Rate, beginning in 2003 an Eligibility Count was taken on the first day of testing.

These Participation Rates are based on a different population than that used to calculate the Participation Rate for AYP.

AYP Participation Rate excludes students who are not Full Time Academic Year.
