New Lease Agreement

Hello, last month on 8/21-22 we were in Ketchikan. We attempted to reach you while in town but were unable to. Enclosed is a new lease agreement, please take time to review in full, fill out the last two pages, sign and return those pages to our office. You also may have received a letter from our President/CEO regarding these leases so I wanted to be sure you had copies for your review.

Please, if you have any questions feel free to contact me directly.

Sincerely,

Brian Jackson
