Roy: This only partially answers the question:

How does Saxman participate in "area-wide" services? Do they pay property taxes? Borough Sales Tax? Area wide Solid Waste fee?

Schools  
Solid Waste Disposal  
Library (prorata share)  
Parks & Rec  
911 Dispatch  
Public Trans  
    Bus  
    Airport  
Animal Control  
Economic Development  
EMS

I would assume most of the above are paid by Borough Sales Tax and property tax?

Thanks

Hi Glen,

I hadn't forgotten your request, just been busy. Here is the first of 2 replies I got:

We have mutual aid agreements for Fire, water/sewer and junk vehicles. For Water/sewer we charge them if we have to out to help them. Junk vehicles and fire there is no cost. They let us use their fire hall to store vehicles in and in turn we get a better ISO rating. They also provide about \$5000 to \$10,000 worth of fire equipment each year. The bus does run all the way to Saxman Seaport. I believe this is all we do with Saxman.

Roy:

I believe that Saxman participates in the South End Fire Area in providing some equipment and the fire hall. We have a mutual aid agreement with Saxman for water, sewer, and fire services. Al

If any of you know of any services we are providing to Saxman, please let me know. I think we do some sludge work for them, but I need some costs associated with this. Please read Glen's question and respond to me. Thanks.

**Subject:** Saxman

Do you (or Al) have a listing of the services currently being supplied to Saxman from the Borough? (I don't believe the City provides any)  
Do you have any estimate of the cost of same?

Article XIII Saxman, " Until otherwise provided by law, the City of Saxman shall continue to receive such areawide municipal services as it previously received from the KGB...."

We are wondering what they are and how much they cost to provide for Saxman?

Thanks! Glen
