The Assembly may raise this limit by a super-majority vote (2/3), advertised for a minimum of one month prior to the first of two noticed meetings or may elect to have the voters raise this limit by an affirmative vote of the majority of the voters participating in a special or regular election, but in no event shall the property tax levy during a year exceed three percent (30 mills) of the assessed value of the property in the Municipality. This section shall not in any way limit the ability of the Municipality to meet its bonded obligations.
