RE: REQUEST FOR TECHNICAL REVIEW

Dear Mr. Bockhorst:

The Ketchikan Charter Commission met on May 3, 2006 to approve that a request be sent to DCED for a technical review of the Petition for Consolidation's charter. That agenda item passed unanimously.

In accordance with the suggestion in the Preliminary Report on the Ketchikan Charter Commission's Consolidation Petition, we respectfully request that the DCED conduct a technical review of the Charter contained within the Ketchikan Charter Commission's Petition for the proposed consolidated Municipality. We encourage the DCED to consult with staffs of the City of Ketchikan and the Ketchikan Gateway Borough during this technical review.

Sincerely,

Glen Thompson, Chair
Ketchikan Charter Commission
