

6/8/04

FYI 6/11/04

We really don't have any significant pending lawsuits. There are a few potential claims which have not been asserted dealing with employment things, but nothing pending.

Scott

I don't know if this got buried in your busy weeks. Thanks.

Gentlemen:

The commissioners asked me to inquire of you regarding the status of any current or pending lawsuits, claims or potential liability that we need to address in our charter petition.

Thanks.

Glen Thompson
