NO I-1 & I-2

MEETING OF August 20, 2004

ITEM TITLE Recess into Public Hearing and Reconvene SUBMITTED BY Glen Thompson

SUMMARY STATEMENT

In an effort to receive input on the Petition documents, the Commission has scheduled three Public Hearings, the second of which is scheduled for this meeting.

Note: During the time set aside for the Public Hearing, the Commissioners may discuss items concerning the Draft Petition and Exhibits, assign specific tasks or work on individual assigned tasks when there is no one testifying. As with a work session, no action may be taken and formal rules of order are relaxed.

I-2 Reconvene to regular session

RECOMMENDED ACTION:

I-1 "I move to recess into Public Hearing in order for the citizens of the community to bring their comments and concerns regarding the 2004 Draft Petition to the attention of the Commission.

I-2 "Seeing no further citizens desiring to testify at the Public Hearing, I move to reconvene into regular session to consider the suggestions and comments received from the community during the Public Hearing."
