

KETCHIKAN CHARTER COMMISSION

AGENDA STATEMENT

NO H-1

MEETING OF August 20, 2004

ITEM TITLE Changes in the 2004 Draft Consolidation Petition SUBMITTED BY Glen Thompson
--

SUMMARY STATEMENT

In its' efforts to complete a viable Consolidation Petition for submittal to the Local Boundary Commission by September 30, 2004, the Ketchikan Charter Commission adopted as a working draft the City of Ketchikan's 2001 Charter. Similarly, they have reviewed and modified the City of Ketchikan's 2001 Consolidation Petition and Exhibits.

During this weeks' meeting, the Commission recessed into work session and further reviewed the Draft Petition, especially the Draft Budget (Exhibit F) and Transition Plan (Exhibit J). Specific information received from City Manager, Karl Amylon, at the 8/20/04 Commission meeting was included in those discussions. Once the changes in this initial review are approved, the sections will revert to a working Draft document that will only be finalized at the time of submittal to the LBC.

Should no specific changes be suggested during the meeting's work session, this agenda item will be automatically postponed until the next meeting of the Commission.

RECOMMENDED ACTION:

"I move to adopt the clerical, and any other changes deemed appropriate to modify in this format, as set forth in work session to the 2004 Draft Consolidation Petition and Exhibits."
