

KETCHIKAN CHARTER COMMISSION

AGENDA STATEMENT

NO H-3

MEETING OF August 27, 2004

ITEM TITLE Amend Exhibit L, Affidavit of Petitioner's Representative Concerning Source and Accuracy of Information in the Petition SUBMITTED BY Glen Thompson
--

SUMMARY STATEMENT

During a conversation with Dan Bockhorst of the Local Boundary Commission, Chair Thompson learned that the Petitioner's Representative should be someone from the Commission who would be the legal contact between the Commission and the LBC during the months of review and potential revision of the Draft Petition.

Chair Thompson has agreed to be that contact. It is necessary for Exhibit L to be modified to reflect this change.

RECOMMENDED ACTION:

"I move to amend Exhibit L of the Draft Consolidation Petition to list Glen Thompson, Chair of the Ketchikan Charter Commission, as the Petitioner's Representative of the 2004 Draft Petition for Consolidation."
