

# NOTICE of Public Meeting

Alaska Department of Transportation and Public Facilities

## Water Street Viaduct Replacement

Project No. BR-000S(735)/69534

This Public Meeting will consist of a series of presentations starting at 5:45 pm to provide the public with current information on the Department's plans for replacing approximately 1,000 feet of the deteriorated Water Street Viaduct in the vicinity of 1250 Water Street to 1630 Water Street. Project Team members will explain the project scope and details, construction phasing, ideas for temporary access and detours during construction, and other anticipated issues affecting adjacent and nearby property owners and occupants. Time will be allocated after each presentation for questions from participants. Plans will be available for review.

Tuesday, April 22, 2014  
5:30 pm to 9:00 pm  
Ted Ferry Civic Center  
888 Venetia Avenue  
Ketchikan, Alaska
