ALFRED STIEGLITZ

The Eloquent Eye

A revealing look at "The Father of Modern Photography," Alfred Stieglitz, a creative genius who challenged and revolutionized attitudes toward modern art in the U.S. while championing the recognition of photography as an art form.

Tuesday, March 23 ■ 7 PM

RICHARD AVEDON

Darkness and Light

Featuring interviews with Richard Avedon, actress Lauren Hutton, director Mike Nichols, fashion editor Polly Allen Mellen and more, this documentary presents an exclusive, unprecedented look at the man best known for changing the course of fashion photography in the 1940s and '50s and reinventing the sometimes-staid genre of photographic portraiture.

Sunday, March 28 ■ 2 PM

MAN RAY

Prophet of the Avant-Garde

Photographer, painter, filmmaker, poet essayist, philosopher - Man Ray single handedly pioneered some of the twentieth century's most important innovations in the arts. This film explores the creative and personal passions of this inspiring genius and traces his remarkable legacy.

Tuesday, April 6 ■ 7 PM

ANNIE LEIBOVITZ

Celebrity Photographer

Sought-after photographer Annie Leibovitz, known for her provocative work for *Rolling Stone* and *Vanity Fair*, is profiled in this portrait-filled documentary. Includes examinations of some of her most famous works, including portraits of Clint Eastwood, Mick Jagger, John Lennon & Yoko Ono, Andy Warhol and many more.
